

## Oklahoma's Promise Amendments 2009 Legislative Session

| Amendment                                                                                                       | HB 2249<br>(latest version) | SB 982<br>(latest version) |
|-----------------------------------------------------------------------------------------------------------------|-----------------------------|----------------------------|
| Change income limit to AGI adjusted for exemptions (use at least \$43,000 AGI target)                           | √                           | √                          |
| Delay second income limit to 2012-13                                                                            |                             | √                          |
| Change college GPA requirements to institution standards                                                        |                             | √                          |
| Sen. Ford – post-college residency requirement                                                                  |                             | √                          |
| Limit award to nonguaranteed tuition rates                                                                      | √                           | √                          |
| Sen. Myers – option of using 3-year average of income                                                           | √                           | √                          |
| Sen. Ford – review income limit every three years to target eligibility for 50% of families                     |                             | √                          |
| Make the effective date of second income limit for adopted students the same effective date as all participants | √                           |                            |
